

Prism + Jones integration

Elevate your COI management

Tracking multiple policies, verifying compliance, countless emails to tenants and vendors: managing certificates of insurance can be a hassle for property teams. But now, Prism, CRE's leading building operations platform, integrates with Jones' best-in-class COI management software to transform the way property teams operate.

A better workflow for property teams

Property teams can rely on Jones to get tenants and vendors' COIs to compliance faster, so they can focus on high-value activities.

See accurate COI information alongside Prism's property and company management tools
